Education

Kansas State University, Manhattan, Kan.

Bachelor's degree in agricultural communications/journalism and animal science and industry, 3.47 grade point average (GPA). May 2003.

Fort Scott Community College, Fort Scott, Kan.

Associate of science degree. Graduated May 2000, with a 4.0 GPA.

Uniontown High School, Uniontown, Kan.

Graduated May 1998, with a 3.82 GPA

Experience

Foster's Multimedia, Fort Scott, Kan.

2004-Present

I started my own side business of Multimedia Productions in 2004 by helping friends and family with their projects. I have worked on several DVD projects and am currently working on expanding the products and affiliations on my website, as well as setting goals as to how I want to grow my business.

Foster Dairy, Fort Scott, Kan.

Life-time

Worked many managerial positions on the family farm, which has 100-180 head of Holsteins in lactation. Developed a promising work ethic. Learned the importance of responsibility, hard work, dependability, respect, determination and communication. Mastered many job positions such as milking cows, feeding calves, replacement heifers and cows, training employees, harvesting grain and working in the field.

Ward/Kraft, Fort Scott, Kan.

1997-1998

Worked as a multimedia productions editor. Developed specialized skills in multimedia production to produce and edit films. Increased abilities in design and animation. Developed proficiency with the Media 100 nonlinear digital editing system, Adobe After Effects and Adobe Photoshop.

K-State Research and Extension, Department of Communications

2000-Present

Worked as a multimedia assistant. Developed and designed web pages. Provided services to faculty, staff and students. Worked with Adobe Photoshop, Adobe Premiere, Macromedia Flash, Macromedia Director, Macromedia Dreamweaver, Macromedia Fireworks and Microsoft FrontPage.
